Soil conservation scheme

1800. SHRI SURENDRA LATH: Will the Minister of AGRICULTURE be pleased to state:

(a) whether the Central Government have been extending financial support to the State Governments to implement soil conservation scheme for reclamation of ravine land;

(b) if so, how much funds have been allocated to Orissa for this scheme and how much have been released during the last three years including current financial year, year-wise; and

(c) the details of the eroded land in different area of Orissa where conservation measures have been undertaken the Tenth Five Year Plan?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) and (b) No, Sir. Question does not arise.

(c) According to Indian Council of Agricultural Research (ICAR), out of geographical area of 15.57 million ha. about 6.12 million ha. (39.3%) is suffering from various categories of land degradation in the State of Orissa as detail given below:

Sl.No.	Category of Land Degradation	Extent of Area in Million ha.
1.	Water erosion	5.03
2.	Wind erosion	0.00
3.	Water logging	0.68
4.	Salinity/Alkalinity	0.07
5.	Soil acidity	0.26
6.	Complex problem	0.08
	Total Degraded Area:	6 12

Government of India is implementing various programmes on watershed development namely;

(i) National Watershed Development Project for Rainfed Area (NWDPRA), (ii) Soil Conservation for Enhancing Productivity of Degraded Lands in the Catchments of River Valley Projects & Flood Prone Rivers (RVP & FPR), (iii) Integrated Wasteland Development Programme (IWDP) and (iv) Drought Prone Area programme (DPAP) for developing the degraded lands in the country including Orissa. During X Plan, Programme-wise area developed and expenditure in first four

years (2002-06) for Orissa are as under:

Sl.No.	Programmes	Area in lakh ha. Area Developed	(Rs. in crore) Expenditure
1.	NWDPRA	0.52	22.45
2.	RVP & FPR	0.07	3.35
3.	IWDP	4.05	65.89
4.	DPAP	3.11	52.47
	TOTAL	8.75	144.16

Availability of milk

1801. SHRI S. ANBALAGAN: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that production and per capita availability of milk is very less when compared to the developed countries;

(b) if so, the details thereof and the reasons therefor;

(c) whether it is also a fact that milk production and per capita availability of milk is very less in southern States particularly Tamil Nadu when compared with the northern States; and

(d) if so, the details thereof, State-wise and the steps proposed to be taken to reduce regional imbalances in the production of milk and its availability?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI TASLIMUDDIN): (a) India stands first in milk production; however, the per capita availability of milk in the developed countries is more than that of India.

(b) Per capita availability of milk of few developed countries as per Food
